

**beyond™**

**BY KENNAMETAL**

**Exceeding expectations. Surpassing excellence.**

Kennametal, the trusted innovator in metalcutting technology, introduces a new era in tooling. Harnessing advanced science and exceptional experience, we've gone more than a cut above — and created Beyond, our next generation, ultra-performance tooling platform. This powerful collection delivers unheard of levels of productivity, efficiency, dependability, and profitability. And beyond.

To take your operations to a new plateau of excellence, call 800.446.7738 or visit [www.kennametal.com](http://www.kennametal.com).
