Presenting Kennametal Longwall Drums

We also offer the world's most reliable continuous miner and surface mining drums!

*Kennametal's Pro Point™
Drum-Tooling System*

Engineered specifically to optimize your mining productivity and profitability — no matter how challenging your operating environment!

Kennametal's unique drum service makes us your one-stop cutting system solution!

- We'll visit your site to accurately assess your mining conditions and equipment.
- We'll then custom-design, expertly build, and precisely tool — with genuine Kennametal tools — your drum for you.
- We'll periodically monitor your drum to make sure it's performing to your expectations.

We'll also provide you the absolute best remanufacture of a replacement drum!

Kennametal will significantly boost your mining output!

Let us prove it.
